Date of Birth: 11th March, 1988
Nationality: French

JUNIOR PROJECT MANAGER

EDUCATIONAL BACKGROUND

Since 2006 I have been a student at the International Institut of Multimédia "IIM" at Léonard De Vinci University, in the La Défense district of Paris (this is my 3rd year of 5).

DIPLOMAS AND SCHOOL CERTIFICATES

- High School Leaving Certificate, with a major in Economics and Social Sciences (2006)
- Qualified Swimmer Certificate

WORK EXPERIENCE

Since October 2008 – I have been the Co-Project Manager on a project to design an interactive map for the Planetanoo web site, where customers come to compare the travel prices and various other options of different travel agencies. (This is a standard course requirement, organized by the University).

July to September 2008- I was in charge of carrying out a study for the Crédit Mutuel Co-operative Bank to do a comparative study of the services offered by other banks to not for profit societies with those of the Crédit Mutuel. I was further expected to give this information a visual representation and post it on the Associathèque web site. This specialized site is still under construction and will open to the public in 2009.

February 2008 to May 2008: Web designer of a web site for the Dolores Coiffure hairdressers (This, too, was a standard course requirement, organized by the University).

October 2007 to January 2008 – Technical Specialist in charge of graphics for the Talentium web site, the purpose of which was to give a diagnosis of people's existing work skills and offer them training courses that would better equip them for new jobs.

August 2007 – I was in charge of doing a statistical study to assess whether the distribution of flyers had increased the number of hits on the web site of the AG2R, a pension fund for retired hairdressers and then draw conclusions.

Other short term-assignments:

I designed several web pages (including graphics) for the Society for Organisational Learning (France)

I did the illustrations for the course handouts of a Medialude company training course, designed to make the relationships between different people at different hierarchical levels of the Crédit Mutuel Co-operative Bank more explicit.

SKILLS

Computer Science:

Software programs I am conversant with: Word, Excel, PowerPoint, Adobe Photoshop,

Illustrator, Flash, Dreamweaver

Web development:

XHTML, CSS, PHP MySQL (basic mastery), Action Script (basic mastery),
CMS: Wordpress, Dotecclear

Languages:

French (mother tongue),
English (fluent)

OTHER ACTIVITIES

Since 2007: I have been in charge of visual graphics for "Electraradio" web radio station.

BASIC INTERESTS

Graphic art, fashion, music, the cinema, current events.
